

PRIVACY POLICY

Personal data being processed

When visiting the website www.health-ecore.com, the following personal data are processed:

- (Part of) your IP address

In addition, Health-ecore stores data that you share with us when we have a business contract with you:

- Company
- Contact person
- Address
- Email address
- Phone number

Why Health-ecore needs these data

Health-ecore processes your personal data to contact you by phone or email, following the agreement/contract we have with you.

How long will Health-ecore store these data

Health-ecore does not store your personal data longer than strictly necessary to achieve the goals for which your data is collected. Your data will not be retained for longer than one year if no agreement is reached with you.

Data shared with others

Health-ecore only provides your data to third parties at your request, if necessary for the implementation of an agreement with you, or to comply with a legal obligation.

Cookies and Google Analytics

The website www.health-ecore.com only uses functional and analytical cookies.

Health-ecore uses Google Analytics to track how users use the website. We have used a privacy-friendly setting for Google Analytics and have anonymized IP-addresses so that your privacy is not compromised and we comply with the General Data Protection Regulation.

Under Article 28 of the GDPR, we have a processor agreement with Google. It stipulates that Google only acts as a processor in the processing of the (anonymized) personal data (*your IP-address is part of your personal data*) of our website visitors.

In addition, we have turned off "data sharing" with Google Analytics and do not use other Google services in conjunction with the Google Analytics cookies.

View, modify, or delete data

You have the right to view, correct or delete your personal data. You can send a request for access, correction, or removal to [**office@health-ecore.com**](mailto:office@health-ecore.com)

Health-ecore will respond to your request as soon as possible, but within four weeks.

Protection

Health-ecore takes the protection of your data seriously and takes appropriate measures to prevent abuse, loss, unauthorized access, unwanted disclosure and unauthorized modification.

The Health-ecore website uses a reliable SSL Certificate to ensure that your personal data is protected.

If you have the impression that your data is not properly protected, if there are indications of misuse or if you wish more information about the security of personal data collected by Health-ecore, please contact [**office@health-ecore.com**](mailto:office@health-ecore.com).
